## HOUSE RULES

### I—VISITING

#### Section A

#### *Week-End Visits*

1. A general permission form to visit out of town or in Shreveport must be signed by each student and her parents and filed with the Dean of Women. A questionnaire regarding such permission

is sent to each parent or guardian. Failure to return the form will make it necessary for a student to obtain written permission from home for every out-of-town trip which she takes and for every over-night visit in Shreveport that she makes until the form is filed with the Dean of Women.

2. Special visiting permission not covered in the general form may be secured by written request from parent and sent directly to the Dean of Women before permission can be granted. This special permission must be in the office of the Dean of Women by 4:00 p.m. on the date requested.
3. Week-end officially begins after the completion of the student's last class of the week and ends with the closing hours on Sunday night.
4. The Resident Housemother must be notified each time a girl will be away from the dormitory overnight, and an overnight card must be signed by her before 6:00 p.m. of the day a girl leaves.
5. In accordance with the statement in the general permission blank returned by parents, permission to make week-end visits in the city with relatives and friends shall be granted as follows:
  - a. Freshmen — one week-end each month.
  - b. Sophomores — two week-ends each month.

the Dean of Women. This permission must be obtained by 4:00 p.m. on the date requested. Those students with Permission Number I do not need written permission as they already have permission to chose their destination. When such permission is requested by parents and granted, the student must attend classes the following day.

### Section C

#### *Overnight Visits in the Dormitory*

4. Week end visits between dormitories will not be considered "week end visits" in the city. Each girl will assume responsibility for keeping the proper hours and will receive her own penalties. The guest card is to be initiated in the dormitory in which the student visits, and that Housemother is responsible for immediately phoning the Housemother in whose dormitory the girl resides. The big sign-out card must be properly completed also, showing where the girl will visit and whose guest she will be.
5. Guest rooms may be reserved ONLY for parents of girls residing in the dormitory and for official guests of the college. The guest room may be reserved for two nights only, and the charge shall be \$4.00 per night for one person and \$6.00 per night for two persons. Guest accommodations

are not intended for children. Requests for reservations are made directly to the Housemother, but must be cleared through the Office of the Dean of Women by the Housemother to whom they are made. A mother may not stay overnight in a student's room behind the swinging door.
